

Gentle Hand Protect

Skin Protection Lotion

The quickly absorbing, non-greasy skin protection lotion for protection against aqueous and non-aqueous working substances, such as cooling lubricants, oils, paints and div. adhesives etc. The easily spreadable, quickly absorbed formulation reduces general skin stress and facilitates subsequent skin cleansing. Dermatologically tested and pH skin neutral. Silicone and fragrance free.

page 1 of 1

Areas of use

To protect the skin from aqueous and non-aqueous working substances, according to the skin protection plan.

Recommendations for use

Thoroughly rub the clean and dry hands (especially the nail bed) before working. Avoid contact with eyes. In case of contact with eyes, rinse immediately with plenty of water. Does not replace any prescribed work protection products.
