

Hartwachs BMP S0.01

Finishing wax

Hartwachs BMP is the ideal sprayable premium long-term conserver for all paints and various plastics. With a special mixture of particularly hard and resistant special waxes, Hartwachs BMP cleans, nourishes and protects the treated surfaces and gives them an attractive deep shine and a high gloss sheen that last for months. Remains of previous polishes, waxes and traces of tar are also removed effectively and quickly. Cut: 0; Gloss: 9,2

page 1 of 1

Areas of use

Paintwork of cars, commercial vehicles, motor cycles, etc.

Recommendations for use

Use a spray bottle to apply Hartwachs BMP to a soft pad and then spread evenly and thinly over the surfaces by hand. Alternatively, use an orbital polisher and a black finishing pad. Leave to dry and polish the white film off to a high gloss with a Profi microfibre cloth.
