

Pad Dispenser

Dispenser for polishing pads

The store equipment not only makes it easy to organize your products and therefore work more efficiently, but also enhances your own shop with a modern, uniform KCX design. The pad dispenser was designed for our polishing pads with a diameter of up to 150 mm/6 inches. Easy removal is possible due to the practical opening at the bottom of the pad dispenser. The product is made of 1.5 mm thick galvanized, powder-coated metal.
